IDAHO!
Chapter 9
"Unmasked"

By Frank Leon Smith/

©CIL 21343

The mysterious man escapes the Vigilantes, who then try the remaining prisoners, who confess that Ike Rogers is their leader. Rogers hastily heats it out of town, first laying plans to hold up the last gold shipment of the season. The decoy wagon, used to trick Rogers, is held up by that desperado before it reaches the place where the Vigilantes lie in ambush. Beth is captured and Rogers plans a fiendish revenge for "that kid Cameron," but changes his plans when he finds the "boy" is a beautiful woman.
